Dear Mr. Winslow:

Thank you for forwarding us your letter and a copy of the latest Plan of Operations (Plan) for Unico's Deer Trail Mine, which we received on September 11, 2000. Your letter stated that this plan replaces the previous plans and amendments for this mine.

We will accept the plan as complete and no further information is required by the Division at this time. Thank you for keeping us updated with any additional information regarding this project.

Sincerely,
